ORDER

This Writ Petition has been filed seeking a direction to the first respondent to provide adequate police protection to the petitioner to enable him to fence his property.

While being so, the second respondent is disturbing the petitioner's peaceful possession and enjoyment of the said property. Based on the said decree of injunction, the petitioner is now seeking police protection to fence his property. However, if there is any violation of the order passed by the

4. In view of the above, it is well settled that police protection can be granted only for the protection of life and limb of a person and not for enforcing civil rights, such as fencing a property. Therefore, the relief sought for in this petition cannot be granted and the writ petition is liable to be dismissed.

5. Accordingly, this Writ Petition stands dismissed. No costs.
