ORDER

(Order of the Court was made
by the Hon'ble Chief Justice)

The petition is full of bald allegations. The petitioner, who is a lawyer, has made allegations against the first respondent that it has no authority or right to construct and let out shops for profits as that is illegal etc. When we asked repeatedly as to under which law it is illegal, no answer was forthcoming.

Petition is, therefore, dismissed. There shall be no order as to the costs.
