offence is the unfettered powers of the Investigation Officers so long as the power to investigate/enquiry into these offences are legitimately exercised within the frame work of Chapter XIII of the Bharatiya Nagarik Suraksha Sanhita, 2023. Though the Sanhita empowers the Magistrate to be a guardian in all the stages of the police investigation, there is no power envisaging him to interfere with the actual investigation or the mode of investigation. It is in this background that numerous petitions complaining of harassment are being reported and filed before this Court seeking for directions to refrain the police officials from harassing the persons named in a complaint.

7. This Court, exercising its power under Section 528 of the Bharatiya Nagarik Suraksha Sanhita, normally would not interfere with the investigation conducted by a police officer. Nevertheless, it would also not turn a blind eye to instances of harassment by the police under the guise of investigation is brought to its notice.

8. In the present case in hand, the petitioner has complained of harassment by the police based on a complaint and seek for this Court's intervention by way of a direction. The term 'harassment' by itself has a very wide meaning and hence, what could be harassment to the petitioner
