ORDER

The writ petition has been filed seeking to call for the records pertaining to the order passed by the 2nd respondent in Na.Ka.No.4238/A/2021, dated 26.04.2022 to recover the increment Rs.49,829 from the petitioners' salary and quash the same as illegal and arbitrary.

2. It is the case of the petitioners that they joined the fire service in the year 2001 and have been continuously working without committing any misconduct. Considering the petitioners' skill, efficient and dedicated service, the respondent-Department granted them an increment on 11.10.2017 as per G.O.No.303 Finance Payment Department and G.O.(Ms) No.777, Home (Police-XVII) Department, dated 23.07.2018. Accordingly, the petitioners' salary was increased

W.P.No.13048 of 2022

to Rs.31,300/- and the increment was given effect from 01.12.2017.

However, their increment date was later fixed on 01.10.2018. The petitioners have been receiving the revised salary for the past five years. However, to their shock and surprise, the 2nd respondent cancelled the increment and ordered recovery of the amount already paid totalling Rs.49896/- from each of the petitioners. As per the impugned order dated 26.04.2022, the recovery was to be made by deducting Rs.1,896/- as the first installment and Rs.1,500/- per month for the next 32 months. The petitioners contend that the said order is arbitrary and illegal. Hence, they have filed the present writ petition to quash the order of the 2nd respondent dated 26.04.2022.

3. Heard the learned counsel on either side and perused the materials available on record.

4. The Hon'ble Supreme Court in the judgement reported in **2015 4 SCC 334 State of Punjab & Ors vs. Rafiq Masih (White Washer) and others** had laid down certain guidelines for recovery by the employers and had given the contingencies where recovery is impermissible and the same would read as follows:-

(i) Recovery from employees belonging to Class III and Class IV service (or Group 'C' and Group 'D' service).

(ii) Recovery from retired employees, or employees who are due to retire within one year, of the order of recovery.

(iii) Recovery from employees, when the excess payment has been made for a period in excess of five years, before the order of recovery is issued.

(iv) Recovery in cases where an employee has wrongfully been required to discharge duties of a higher post, and has been paid accordingly, even though he should have rightfully been required to work against an inferior post.

(v) In any other case, where the Court arrives at the conclusion, that recovery if made from the employee, would be iniquitous or harsh or arbitrary to such an extent, as would far outweigh the equitable balance of the employer's right to recover.

5. The above guidelines have been followed by the Government of Tamil Nadu in GO.Ms.No.286 dated 28.08.2018 (Finance and Pension Department).

6. Considering the fact that the petitioners fall under category 1 of the above guidelines, the Writ Petition is allowed. The order dated 26.04.2022 passed by the 2nd respondent is set aside. If any amount already recovered by the respondents shall be refunded to the petitioners within a period of one month from the date of receipt of a copy of this order. No costs. Consequently connected miscellaneous petition is closed.
