up a Special Economic Zone. The urgency clause was invoked. 80% of the compensation was paid in advance as per the mandate under Section 17(3A) of the Land Acquisition Act. Thereafter, an award was passed in Award No.2 of 2008 on 25.01.2008. Not being satisfied with the quantum of compensation awarded, some of the land owners preferred an application under Section 18 of the Land Acquisition Act and the matter was referred to the II Additional District Judge, Puducherry. By an order dated 01.12.2018, the compensation amount was enhanced. In view of the same, the petitioner submitted an application before the second respondent under Section 28-A of the Land Acquisition Act seeking for enhancement of compensation. Since the same was not acted upon, the present writ petition has been filed before this Court.

Taking into consideration the facts and circumstances of the case and considering the fact that the petitioner also falls within the same acquisition proceedings and the compensation has been enhanced for the other land owners and taking note of the latest judgment of the Apex Court in *Banwari and others v. Haryana State Industrial and Infrastructure Development Corporation Limited and another* [Civil Appeal No.13348 of 2024, dated 10.12.2024] wherein the Apex Court
