ORDER

This Writ Petition is filed calling for the records of the impugned rejection order, dated 19.03.2025 passed by the second respondent in Lr.No.002800/L13/F.M/s. Shree Vinayaga Renewable Energy Private Limited.D.205/25 and consequently, to direct the second respondent to approve the re-powering application of the petitioner, dated 03.03.2025.

2. When the matter is taken up for admission, the learned Standing Counsel appearing for the second respondent would submit that when a scheme was framed vide G.O.Ms.No.80, dated 22.08.2024, the association challenged the same and there is an interim order. Dehors that, if any individual persons like that of the petitioner voluntarily seeks to come under the scheme, the authorities are willing to consider the same. The impugned order was passed only because there is an interim order in W.P.No.25443, 25444 and 25624 of 2024.

3. I have considered the submissions made on either side.

W.P.No.12552 of 2025

WEB COPY4. It can be seen that the certain associations as well as the individual spinning mills approached the Court in the aforesaid Writ Petitions challenging the G.O.Ms.No.80, dated 22.08.2024. The Court had taken into consideration of the individual spinning mills as well as the associations on behalf of the members stating that in respect of them, already, T.N.E.R.C passed an order with reference to the re-powering and framing a different scheme by the Government Order may not be appropriate and therefore, considering the fact that larger issue is pending before the Division Bench, the interim order of stay of the Government Order was granted. Therefore, it would be clear that the interim order would be applicable vis-a-vis the petitioners therein i.e., individual spinning mill or the members of the association as the case may be. When this petitioner is not challenging the Government Order and wants to come within the policy voluntarily, the same shall be considered de hors the order of interim stay that was granted.

5. In view thereof, this Writ Petition is disposed of by directing the second respondent to consider the application of the petitioner in the manner known to law if there is no other impediment and pass orders in accordance with law. The said exercise shall be completed within a period of four weeks
