ORDER

This petition has been filed seeking the quashing of the proceedings in C.C. No. 407 of 2024, pending before the learned Judicial Magistrate IV, Tiruppur.

2. The case of the prosecution, as outlined in the complaint, is that the second respondent is the manager of M/s AJ KNITS Company. The petitioners, namely the first and second petitioners, are partners of M/s VARSHINI FINISHES. Due to a misunderstanding among the partners, one of the partners, Venkadachalam, terminated the partnership firm, following which the first and second petitioners vacated the premises. Subsequently, the said premises were rented out to M/s AJ KNITS Company. The first and second petitioners, along with other accused persons, allegedly entered the premises on 29.03.2023, represented

themselves as officers of the Pollution Control Board (PCB), and demanded to inspect the permits of the company. They purportedly threatened to seal the entire company if the necessary permits were not produced. Based on this incident, the second respondent filed a complaint, leading to the registration of FIR in Crime No. 204 of 2024, for the offences under Sections 451, 170, 109 and 506(2) of IPC. After completion of investigation, a final report was filed, and the learned Judicial Magistrate IV, Tiruppur, took cognizance of the offences under Sections 170, 109, 451, and 506(2) of IPC, resulting in the proceedings being initiated in C.C. No. 407 of 2024.

3. Heard both sides and perused the materials placed before this Court.

4. On perusal of records, it is revealed that prior to the filing of the complaint by the second respondent, the petitioners had lodged a complaint with the Pollution Control Board on 24.02.2024, alleging that M/s AJ KNITS Company was discharging untreated waste into a water

body. It appears that the complaint filed by the second respondent was lodged with malicious intention as against the petitioners. In fact, in response to the petitioners' complaint, the Tamil Nadu Pollution Control Board, by its proceedings dated 24.12.2024, imposed an environmental compensation of Rs. 9,37,500/- on M/s AJ KNITS Company for the violations. The company paid the amount on 17.01.2025. It is further noted that the petitioners visited the premises of M/s AJ KNITS Company on the date of the alleged incident in connection with their complaint concerning the company's pollution practices. The second respondent, in his capacity as the manager of the company, subsequently filed a complaint, falsely accusing the petitioners of impersonating officers of the Pollution Control Board and attempting to inspect the company's permits. It is also contended that the company is operating a dyeing unit without obtaining the requisite approvals from the Tamil Nadu Pollution Control Board. The proceedings initiated by the second respondent are therefore deemed to be an abuse of the process of law, undertaken with malicious intent and ulterior motives, driven by personal animosity and a desire to harass the petitioners.

5. Having considered the submissions made by both counsel, as well as the materials on record, it is evident that no *prima facie* case has been made out as against the petitioners. The allegations in the complaint appear to be manifestly attended with malafides, and the entire proceedings seem to have been instituted with ulterior motives, to settle a personal score, rather than for any genuine cause of action.

6. In view of the above, this Court is of the considered opinion that the continuance of the proceedings in C.C. No. 407 of 2024, pending before the learned Judicial Magistrate IV, Tiruppur, would amount to an abuse of the process of law. Accordingly, the proceedings in C.C. No. 407 of 2024 is hereby quashed as against the petitioners and this Criminal Original petition stands allowed. Consequently, connected miscellaneous petitions are closed.
