They projected themselves as entrepreneur in Oil and Agricultural products. Posing that they needed money and collecting funds from the public for the business, which will yield high returns, they offered high rate of interest. They collected deposits from various persons including the petitioner offering 15% interest per month and level commission. Initially A-3 to A-5 induced the petitioner to invest money. Later, they instead of using the term

“depositors”, used the term of ‘farmers’ and explained that farmers are providing agricultural products to the 2nd accused partnership firm i.e. M/s. Hijau Agro LLP and the products are sold through four Firms by name M/s Sri Marimuthu Enterprises, M/s Shiradi Sai Agro Enterprises, M/s Aryan Enterprises and Naganathan Traders. They for collecting deposits told the petitioner to start a Proprietary Firm by name M/s VSN India Agro Product. In order to file GST and IT returns for M/s VSN India Agro Products and to release payout to the farmers, OTP would frequently require and to avoid disturbance, his digital signature was obtained and in possession of one Lakshmanan, Auditor of the 2nd accused company. Later, without his knowledge during September 2022, he was added as Director of the company along with 8 others. Seven days later the 4th accused resigned from Directorship without conducting Board Meeting.

7. Stating that the prime accused in this case are A-3 to A-5, only A-4 surrendered and from him, about Rs.10 crores recovered. A-3 and A-5 not arrested and still at large. The statement of Prabakar, the web designer for www.mypayhm.com, through which the deposits collected, it is clear that the website is editable and maintained for the purpose to hype.

8. The petitioner contended that he is an innocent person.

Documents will show, he is also a victim of the crime similar to 300 depositors, who had invested in the first accused company on the promise given by the accused 3 to 5. While the other depositors were not made as the accused, the petitioner is made as an accused by describing him as Director in-charge of the first accused company. The petitioner contended that his role in the first accused company is similar to 2500 Brand Managers, 1000 Project Managers, 500 Vice Presidents, 150 Senior Vice Presidents and 10 Executive Vice Presidents. While they were all not prosecuted, he alone isolated and arrested.

9. Citing long incarceration, the learned counsel for the petitioner pray for grant of bail.

10. Objection from the prosecution:

In response to the bail petition, the respondent has filed a detailed counter, wherein it is stated that M/s Hijau Associates Private Limited got registered at ROC Chennai on 28.12.2017. The company was promoted by A-3 to A-5. This petitioner is a close associate of Alexander, the third

accused and his father Soundararajan, the fourth accused. While the fourth accused is the Chairman of the M/s Hijau Associates Private Limited, the third accused is the Managing Director of the said company. In furtherance of conspiracy hatched by the accused persons, the money was collected from the public as deposits offering 15% interest per month. The first accused company had no approval of either RBI under the provision of Section 45 1A (A) of RBI Act or sanction of any regulated deposit Scheme with SEBI or Ministry of Corporate Affairs of Government of India. As they were receiving huge number of deposits all over South India, to screen the illegal collection of deposits, transferred a small amount of deposits in about 22 Bank Accounts maintained in the name of 22 proprietary Firms. This petitioner is one of the Director of M/s Hijau Associates and also the Proprietor of “M/s VSN India Agro Products” an entity created for the purpose of camouflaging receipt of deposits on behalf of the accused company. Bogus documents and fake bills were created in the name of depositors using their credential as if Agro Products purchased and sold. GST also filed periodically to show the transaction as genuine. This petitioner as a Director of M/s Hijau Associate Private Limited and Proprietor of M/s VSN India Agro Traders” had collected deposits around

Rs.51 crores from about 647 depositors. The petitioner has also opened bank account in the name of Sai Lakshmi Enterprises and received money through Mypayhm.com. Evidence collected so far reveals in the Bank Accounts maintained by the petitioner at IDFC Bank Nungambakkam in his personal name and in the name of M/s VSN India Agro Traders, a sum of Rs.72,15,541/- and Rs.32,60,44,908/- collected. That apart, in South Indian Bank, Ambattur, a sum of Rs.3.48crores collected. This petitioner as a Director of the first accused company and Proprietor of M/s VSN India Agro Traders and M/s Sai Lakshmi Enterprises, had cheated the gullible innocent depositors. There are tangible evidence to prove that this petitioner had involved in collecting unregulated deposits and was part of the criminal conspiracy with A-3 to A-5.

11. The learned Additional Public Prosecutor submitted though final report and supplementary report filed, in view of the receipt of the complaints from the various depositors and the investigation is still continuing.

12. A registered Society by name Hijau Victims Nala Sangam has

filed a petition to intervene in the bail application. The Learned Counsel for the intervener submitted that in view of the gravity of the offence and quantum of money cheated from more than 1000 gullible public, the bail should not be granted.

13. Heard the Learned Counsels for the petitioner, Intervener and the Learned Additional Public Prosecutor.

14. The *modus operendi* of the accused persons in this case as revealed from the records and the submission of the Additional Public Prosecutor is as below:-

M/s Hijau Associates Private Limited and M/s Hijau Agro LLP are the two financial institution promoted by Sounderarajan, his son Alexander and his daughter-in-law Mahalakshmi, W/o Alexander. Claiming as owners of oil fields in Malaysia and holder of export orders from 6 countries, they had prepared promotional videos and through agents had propagated that the depositors will be given interest of 15% per month and additional incentive as level commission, if they are able to get more deposits from others. Further, for some of them they have promised that they will be made as

Directors/President/Vice President of the company. Virtual and physical Meetings at Star Hotels were conducted and public were made to invest their money by the impressive speech of the accused persons.

15. Further, the investors were also made to believe that their deposits will be invested in the Firms dealing in Agro Products, which will be yielding high returns. For the said purpose, 22 unregistered Firms were floated in the name of different persons, who are known to A-3 to A-5 and they were also made as Directors or President/Vice President of the A-1 and A-2 company. The money deposited in the accounts of these 22 Firms through App, were transferred to the account of A-2 company. Later, the money been withdrawn and laundered by A-3 to A-5, after paying commission to the persons, who were designated as Directors and the Proprietors of the shell Firms. By floating the Shell Firms, the accused persons were able to screen their act of collecting deposit without permission from RBI and SEBI. They have also created records as if they are trading in Agro Products for the sales and service declared fake accounts and paid GST. Award ceremonies and public functions with high dignitaries were organised by the accused persons as if they are upcoming entrepreneurs and

the depositors will not only be paid an astronomical rate of interest, but also be made as part of the Company and its share holders. They have also advertised that the Private Limited Company is to become a public limited company by name M/s Hijau Fresh Limited and steps have been taken for the conversion.

16. The investigation discloses that, the money collected illegally been shared by the promoters/Directors of the A-1 and A-2 company and the proprietors of the 22 Firms, which were floated in the name of individuals to camouflage the collection of deposits. The persons, who had knowledge of the cheating and benefited out of the cheating, are arrayed as accused. Others, who had no knowledge and *mens rea* to cheat, are taken as witnesses.

17. In the bail petition, all the accused persons had invariably pleaded that they also lost money in the game conceived by A-3 to A-5 and they are victims of the crime. They are not the perpetrators of the crime. However, the amount they invested, the incentive paid to them and the money they collected from the complainants directly and through the agents appointed by them, clearly show that they have shared the proceeds of crime

along with A-3 to A-5.

18. In this case, the prime accused A-3 is absconding. The Look Out Notice issued and request to the Malaysian Government to extradict him is pending, his father A-4 (petitioner in Crl.O.P.No.8860 of 2025) pleads that he was a dormant Chairman of M/s Hijau Associates Pvt. Ltd. His son Alexander alone was the operating the affairs of the company and his whereabouts is not known to him.

19. This petitioner and the other accused persons plea that they were cheated by A-4 and his son A-3. Whereas A-4 had contented that the number of investors and the amount alleged to have been cheated are highly exaggerated. According to him, Rs.4414,44,22,350/- is the projected data available in the data base. It is the return promised to the investors and it is not the actual money invested by the complainant. The prosecution has not taken into account the money received by the investors as interest for the accused companies.

20. The other accused persons, who were Directors of the company

and Proprietors of the Shell Firms also plead that they were made as Directors of A-1 company for a short period and later, they resigned. The Shell companies were floated misusing their digital signatures. They assure that if they are released on bail, they are ready to co-operate with the investigation.

21. It is also pertinent to take note that, after siphoning the money, which runs to more than Rs.1620 crores, these accused persons have created records as if they were relieved from the accused company. A-3 to A-5 have fled out of India. After intensive search, A-4 alone had clandestinely entered to India from Malaysia through Nepal and surrendered to the police. His son A-3 and his daughter-in-law are still at large.

22. Records reveal that the petitioner, a close associate of A-3 and A-4. He became the Director of the A-1 company. He started a Proprietor concern by name M/s VSN India Agro Traders' and Sai Lakshmi Enterprises both Shell entities only to collect deposits and payout. Fake documents created to show as if these entities are really active GST registration obtained and Taxes paid. Through the bank accounts opened in the name of petitioner

and his shell Firms, Rs.51 crores collected.

23. The submissions made on behalf of the petitioner is contrary to the evidence collected during investigation and placed before the Court for trial. They have been invariable enjoyed the fruits of the crime and had not come forward to place on record, how much they received as interest, incentive and remuneration for collecting deposit and the assets acquired through the proceeds of crime. The role of the petitioner is the scheme of the conspiracy and his *mens rea* to commit crime is well found from the evidence collected by the respondent police. If the petitioner is released on bail, the possibility of absconding is high. In the said circumstances, the petition for bail deserves to be dismissed.

24. Accordingly, **this Criminal Original Petition is dismissed.**
