2. The petitioner, M.N. Murugappa Girls Higher Secondary School

W.P.No.15837 of 2025

Committee, owns 4.50 cents of land in Mannarai Village, Tirupur District, which

was part of a larger extent originally purchased in 1980 and later partially settled for educational purposes. The subject land was reserved under the Tirupur Local Planning Area - Detailed Development Plan-16 (DDP-16), approved in 1991, for forming roads (E2, D1, E3). However, despite the passage of over three decades, the authorities have not acquired the land as required under Section 37 of the Tamil Nadu Town and Country Planning Act, 1971. As per Section 38 of the Act and consistent judicial precedents, such reservation lapses if not acquired within three years. The petitioner, now seeking to develop the land for educational use, filed the present writ petition.

3. Learned counsel for the petitioner would submit that the aforesaid scheme prepared in the year 1991, it was stated that the said land would be acquired by the respondents as provided under the provision of Chapter IV of Town and Country Planning Act, 1971 (herein after referred to as Act). However, the Government had not taken any steps to acquire the land. It is also informed to the petitioner that the proposal to form the road has not been given effect to or implemented. It was also informed that under Section 25 of the Act, the Town Planning authority

W.P.No.15837 of 2025

should have obtained approval from the Government within three years from the date of the publication of the scheme but, they have not done so.

4. Learned counsel for the petitioner would submit that the petitioner had made representation several times to the respondents to release the lands belonging to him as the same is not acquired and no more public purpose is involved under the deemed proviso viz., under Section 38 of the Act, land would be deemed to be released from reservation, allotment or designation.

5. Learned counsel for the petitioner would then place reliance on the similar orders passed by this Court, which are as follows:

"5-. In the present case, the respondents had failed to take any steps to acquire the subject land therefore, by operation of Section 38 of the Act, the scheme has lapsed."

that the detailed development plan has lapsed as per Section 38 of the Tamil Nadu Town and Country Planning Act, since the land has not been acquired within a period of three years from the date of publication of the notice under the Tamil Nadu Gazette.

5. It is not necessary for this Court to dwell much on the entire allegation in the Writ Petition, since for the very same detailed development scheme, a Division Bench of this Court in W.A (MD) No.485 of 2020 has held that the scheme had lapsed by virtue of Section 38 of the Tamil Nadu Town and Country Planning Act. The relevant portions in the judgment are extracted hereunder :

“11. As rightly pointed out by the learned counsel appearing for the respondents/writ petitioner that the counter affidavit proceeds on the merits of the claim and in no way deal with deemed lapse and in the considered opinion of this Court, the learned Judge, on correct appreciation of facts and by applying the legal position as enumerated in the above said judgment, allowed the writ petition. This Court, on going through the reasons assigned in the impugned order, is of the considered view that there is no infirmity or error apparent on the face of the record for the reason assigned by the learned Single Judge for allowing the writ petition and finds that the writ appeal lacks merits.

12. It is also brought to the knowledge of this Court that the writ appeal filed by the official respondents in WA(MD) No.340 of 2020, against the order dated 27.02.2017 in W.P.(MD) No.14456 of 2014 was also dismissed on 02.03.2020.-”

W.P.No.15837 of 2025

“4. Learned counsel for the petitioner would submit that only an extent of 4.85 acres have been developed as a layout. While developing the layout, necessary lands have been gifted by gift deed bearing No.10974/2019. According to him, as far as the land already gifted in respect of a layout forming 4.85 acres, he is not claiming any right over the gifted properties. Only he seeks the declaration in respect of the remaining properties as the acquisition has not happened within a period of three years, as contemplated under Section 38 of Tamilnadu Town and Country Planning Act, 1971.

5. Learned counsel for the respondents would submit that since the lands have already been gifted, the petitioner cannot have any right over the property. The entire extent of 7.04 acres was shown in a detailed development plan No.8 of the respondents for the purpose of constructing Elementary School, High school and Play ground. Though the declaration has been made on 15.07.1992, the land has not been acquired within a period of three years.

6. It is relevant to note that Section 38 of Tamilnadu Town and Country Planning Act, 1971, reads as follows:-

“38. Release of land:- If within three years from the date of the publication of the notice in the Tamil Nadu Government Gazette under Section 26 or Section 27- (a) no declaration as provided in sub-section 26 or section 27- (a) no declaration as provided in sub-section (2) of section 37 is published in respect of any land reserved, allotted or designated for any purpose specified in a regional plan, master plan, detailed development plan or new town development plan covered by such notice: or

(b) such land is not acquired by agreement, such land shall be deemed to be released from such reservation, allotment or

designation.”

7. However, it is admitted case that the land has not been acquired within a period of three years. In such view of the matter, as per Section 38 of the Tamilnadu Town and Country Planning Act, the remaining area other than the layout already developed shall be released from the development plan. It is also made clear that in future, if the Government intends to acquire the land for any other purposes, this order will not bar for the Government in view of the provision of Land Acquisition Act. Similarly, any application is filed or pending for regularisation of unapproved layout, such application shall be dealt as per Tamilnadu Town and Country Planning Act, 1971, on its own merits, strictly in terms of the Rules.”

8. In view of the plethora of decisions of this Court as had been quoted above, the law is well settled in this regard as the issue raised in the writ petition is no more res-integra. Once the three years period is lost within the meaning of Section 37(2) proviso thereafter, Section 38 can very well be pressed in service and ultimately, the land is deemed to be released from such reservation, allotment or designation.

9. Therefore, in view of the legal provisions as well as the categorical decisions made by this Court, this Court has no hesitation to hold that the petitioner's land comprised in Old S.No.251, Old Ward F, Old Block No.9, Old

10. With the above observation and direction, this writ petition stands disposed of. No costs.
