ORDER

This Writ Petition is filed challenging the impugned order dated 15.04.2025.

2. When the petitioner sought for domestic connection for their house, the same has been rejected by the order dated 11.04.2025. It can be seen that by mentioning that the entire property remains as a joint patta and the case is also pending before the Civil Court and that the revenue

documents are not submitted the impugned order has been passed. But

however, a copy of the judgement and decree of the Civil Court dated 31.10.2013 is produced before this Court. On a perusal thereof, it can be seen that the said Baskaran has filed O.S.No.19 of 2006 for partitioning of the property in question and preliminary decree has been granted earmarking 1/6th share to the said Baskaran. It can be seen that the petitioner's husband Tamilarasan is also shown as third defendant and he is also entitled to 1/6th share even as per the said decree. Therefore when the application is made by one of the co-owner by obtaining indemnity bond and verifying whether there is any physical segregation of the property the connection can be given.

3. In view thereof, this Writ Petition is disposed of on the following terms;

(i) The impugned order dated 15.04.2025 shall stand quashed;

(ii) The respondent shall re-consider the application of the petitioner by making a fresh inspection and apart from the revenue document the copy of the judgement and decree can also be taken on record and after getting such

indemnity bond and verifying as to whether the petitioner is residing the separate portion the electricity connection can be effected;
