2. The petitioner and the respondent got married on 20.07.2023 and they lead a happy life initially. Few months later, the respondent-husband used to pick up quarrels with the petitioner even for petty things. According to the petitioner, on 07.07.2022, the respondent abused the petitioner physically and threw her out of the matrimonial home. She thereafter resided in her parent's house at Sankaranpalayam, Vellore District, where she delivered a daughter. Now the child is 10 months old, but till date, the respondent and his family members neither visited her nor spent a single rupee for the minor child. She is under the care of her old aged parents. Though the petitioner evinced interest for reunion, but the respondent refused and filed a petition for divorce in H.M.O.P.No.44/2024 on the file of Sub Court, Ranipet.

3. The petitioner would contend that she and her 10 months old child are residing at Sankaranpalayam, Vellore District at the expense of her aged old parents. The respondent-husband has not granted any maintenance to them. The petitioner finds it difficult in travelling from Sankaranpalayam to Vellore along with her 10 months old child, which covers a distance of 100 kms. Hence, she seeks transfer of HMOP.No.44 of 2024.
