This Court, while dismissing the said writ petition on 23.04.2025, directed the second respondent to conduct an enquiry and dispose of the complaint lodged by the fifth respondent. Pursuant to the said direction, an enquiry was conducted by the second respondent and a Status Report has also been filed before this Court.

4. A perusal of the Status Report reveals that the complaint lodged by the fifth respondent alleging impersonation and forgery in the marriage certificate was found to be incorrect. The second respondent Police examined various witnesses, including the father of the fifth respondent, recorded their statements and found that the marriage certificate is genuine and valid.

5. Be that as it may, since the Status Report reveals that the complaint given by the fifth respondent is false, the petitioner now seeks registration of a First Information Report against the fifth respondent for furnishing false information.

6. The Status Report filed by the second respondent is taken on
