challenging the G.O.Ms.No.80, dated 22.08.2024. The Court had taken into consideration of the individual spinning mills as well as the associations on behalf of the members stating that in respect of them, already, T.N.E.R.C passed an order with reference to the repowering and framing a different scheme by the Government Order may not be appropriate and therefore, considering the fact that larger issue is pending before the Division Bench, the interim order of stay of the Government Order was granted. Therefore, it would be clear that the interim order would be applicable vis-a-vis the petitioners therein i.e., individual spinning mill or the members of the association as the case may be. When this petitioner is not challenging the Government Order and wants to come within the policy voluntarily, the same shall be considered de hors the order of interim stay that was granted.

5. In view thereof, this Writ Petition is disposed by directing the second respondent to consider the application of the petitioner in the manner known to law if there is no other impediment and pass orders in accordance with law. The said exercise shall be completed within a period of four weeks from the date of receipt of a webcopy of this order without waiting for a certified copy of this order. There shall be no order as to costs. Consequently, connected miscellaneous petition is closed.

4. In view of the above, there shall be a direction to the 2nd respondent to deal with the representation made by the petitioner on 07.04.2025 in line with the above order passed by this Court and the entire exercise shall be completed within a period of four weeks from the date of receipt of a copy of this order.
