[Order of the Court was made by M.SUNDAR, J.]

After some arguments, Mr.T.Dharani, learned counsel sought leave of this Court to withdraw the captioned 'Writ Petition' ['WP' for the sake of brevity] but made a prayer to preserve the rights and contentions of writ petitioner to come to this Court again by mentioning the correct survey number and location of the alleged encroachment.

2. To be noted, writ petitioner talks about encroachment in Survey No.453/47 and it talks about encroachment around a transformer but there is no document to demonstrate the revenue classification of Survey No.453/47. Relying on a photograph, learned counsel submitted that it is an electric pole and not a transformer. These are the circumstances under which the request for withdrawal is made by learned counsel for writ petitioner. A scanned reproduction of the endorsement made by the learned counsel in the case file is as follows:
