Patta was issued in respect of the subject property. Since there was a boundary dispute with the private respondents, petitioner made an application on 14.02.2025 seeking to survey the subject property and also paid the necessary charges. However, the survey has not been conducted. Hence, the present writ petition has been filed.

4. At the outset, it is submitted by Mr.S.J.Mohamed Sathik, learned Government Advocate for first respondent that they will consider petitioner's application and survey petitioner's land within a period of eight weeks, which was agreed to by learned counsel for petitioner.

5. It is further submitted by the learned Government Advocate that in case Police protection is required, first respondent would request second respondent. When this was pointed out, learned Government Advocate (Crl.Side), appearing for second respondent would submit that if any such request is made, adequate police protection will be granted.
