2. When the writ petition was taken up for hearing, the learned Standing Counsel appearing for the first respondent fairly submitted that it is not possible to re-conduct the oral or practical examination for the petitioner. However, the petitioner is at liberty to participate in the forthcoming examinations at any center, other than Coimbatore, according to her preference.

3. At this juncture, the learned counsel appearing for the petitioner on instructions from the petitioner submitted that the petitioner prefers to write her examination at Madurai.

4. I have given my anxious consideration to either side submissions and also perused the materials available on record.

5. In view of the above submission, without going to the merits of the writ petition, this Court deems it appropriate to direct the first respondent to permit the petitioner to appear for the forthcoming oral and practical examinations commencing from October 2025 at Madurai. Though the

petitioner is permitted to take part in the said examination at Madurai, it is made clear that this order shall not be construed as expression of any opinion against the fifth respondent.

6. With the above observations, the Writ Petition is allowed. No costs.
