recognised political party and is in lawful possession and enjoyment of the property. The property was acquired by the Tiruvannamalai Town Congress Committee. Thereafter, the petitioner came into the scene and the name was also changed. The grievance of the petitioner is that the property tax assessment is being made in the name of the Chairman, District Congress Committee and this took place without notice to the petitioner. In view of the same, the petitioner submitted a representation on 31.07.2025 to restore the tax assessment and other records in the name of the petitioner. Since the same was not considered, the present writ petition has been filed before this Court.

4. Taking into consideration the facts and circumstances of the case and the materials placed before this Court, there shall be a direction to the second respondent to deal with the representation made by the petitioner on 31.07.2025 on its own merits and in accordance with law after affording opportunity to all the interested parties and a final decision shall be taken within a period of eight (8) weeks from the date of receipt of a copy of this order.
