On the complaint given, FIR has been registered for the offences under Sections 420 of IPC and Sections 43 and 66 of Information Technology Act. However, according to the petitioner, the relevant sections have not been invoked. Hence, further investigation is required.

3. At the outset, this Court is of the view that merely because a wrong provision of law is invoked, that cannot be a ground for further investigation. It is for the respondent police to file a report after the investigation is completed

The respondent police shall take into account that the amount has been stolen from the ATM machine which invites the offence under Section 379 IPC. The investigation shall be completed expeditiously.
