2. The petitioners who are registered contractors under the respondent Corporation, are said to have executed several works in the past 15 years, without any adverse records. The petitioners states that during Covid pandemic, the respondents sent a proposal to the Government for approval of a short tender notice for the period 2020-2021, for construction of Mini Clinic at Ward Nos. 34 to 48 in the Zone-4, in the name of Amma Mini Clinic. The petitioners further state that since the State Assembly Elections were announced, in terms of the electoral protocol, no tender notification was issued by the respondents for construction of Mini Clinic. The petitioners states that oral work orders were issued and based on the oral work orders, the works were successfully completed without any default. The petitioners states that on successful completion of the work, the respondents inspected the sites, confirmed the quality and stability of the construction, and entered the particulars of work executed in M-Book, maintained for the purpose. The petitioners raised the bill for the works successfully completed and put to public use, but for the reasons best known to the respondents, the bill amounts were not settled. The petitioners therefore submitted multiple representations on 26.02.2024,
