year 2020-2021 was 30 seats. It is seen that even after three phases of counselling, candidates were not allotted for two seats. Therefore, the petitioner admitted two eligible candidates under lapsed seat category and requested the authorities to approve and ratify the same. However, no order was passed. Therefore, the petitioner preferred writ petition in WP.No.695 of 2022 for approval of their candidature for admission to BAMS Degree Course 2020-2021 and this Court allowed the writ petition on 13.05.2022.

3. Now, it is the case of the petitioner that the final year BAMS examinations are scheduled from 14.08.2025 and the University has already opened the portal for registration of candidates for the examinations. However, the names of those two candidates are not found in the portal. Unless the names are found in the portal, the petitioner will not be able to remit the examination fees and download the hall tickets. In this regard, the petitioner sent an email to the second respondent on 24.07.2025. However, their candidature has not been regularised. Hence, the present writ petition has been filed.
