date of retirement (31.01.2018) to till the date of actual disbursement within a time limit”.

2. It is an admitted fact that the petitioner, who had joined the services of the respondent-Corporation, had retired from service on 31.01.2018. Though the petitioner had retired on 31.01.2018, the retirement benefits had been deposited into his account after a lapse of nearly 1 year from the date of his retirement. Therefore, the petitioner had claimed interest @ 6% towards the belated payment of terminal benefits. However, the respondents have not taken any steps whatsoever to consider the petitioner's representation dated 22.08.2022. The fact that the payments have been made with a delay has not been controverted by the respondents.
