JUDGMENT

(Judgment of the Court was made by S.M.SUBRAMANIAM,J.)

The writ order dated 05.08.2024 passed in W.P.No.11563 of 2024 is under challenge in the present writ appeal. The writ petitioner is the appellant before this Court. The writ petition came to be instituted to dispose of the application submitted by the appellant seeking water and sewerage connections. The appellant constructed the buildings unauthorisedly and enforcement actions were initiated. The appellant preferred an appeal before the Government, which is admittedly pending. Since appeal was pending before the Government, the authorities have not disposed of the application. The learned single Judge also made a finding

W.A.No.3600 of 2024

that the appellant shall submit an application afresh after disposal of the appeal by the Government. Unless the right of the appellant has been crystallized in the appeal, which is pending before the Government, the authorities cannot entertain the application. Thus the findings and the liberty granted by the writ Court are in consonance with the principles and no further interference is called for. Consequently, the writ appeal stands dismissed. No costs.
