31.03.2006. In the year 2006-2007, the petitioner has raised invoices for the supply of electricity generation to TANGEDCO which was not paid on time.

As per the order of the Appellate Tribunal for Electricity (APTEL), the Wind Power Generators are entitled for payment of interest on delayed payment made for the purchase of the power from the generators. Therefore, the petitioner raised invoices dated 25.10.2013 along with order copy of APTEL which was acknowledged on 28.01.2014. Pursuant to the same, the respondents rejected the claim of payment of interest. Till date, no interest has been paid. Therefore, the petitioner has sent a representation seeking adjustment of interest in current consumption bill and the same was also not considered and therefore, the petitioner has filed this present writ petition seeking the aforesaid relief.

3. The learned counsel appearing for the petitioner submits that the petitioner has filed this writ petition mainly to adjust the dues including the interest payable to the petitioner from the current consumption charges as per the Energy Purchase Agreement entered between the petitioner and the respondent Electricity Board.
