For Petitioners : Mr.R.Silambanan,
Senior Counsel

ORDER

(Order of the Court was made by R.Subramanian J.)

Though the condone delay petitions are listed, we find that the petitioner
in the proposed Review Applications cannot be considered to be an aggrieved

party.

Further, the order dated 20.10.2022 has been passed based on the

consent of the learned Special Government Pleader in paragraph 10 of the said

order reads as follows:

“10. Mrs.Mythreye Chandru, learned Special Government Pleader appearing for the respondents would upon instruction submit that if the petitioners want to collect the fee fixed by the Committee for the academic year 2021~22 for the academic year 2022~23 the Government would have no objection. She would point out to the representation made by the respective petitioners during April 2022 seeking to collect the fee fixed for the academic year 2019~20 which was much higher. The option to seek revision is with the schools. It is open to the schools to waive the right to seek revision, but they shall ensure that they collect the latest fee fixed by the Committee and not the earlier years because the fee fixed for the academic year 2021~22 is less than the fee fixed for the academic year 2019~20 since the pandemic situation was taken into account by the Committee while fixing the fee for the academic year 2021~22.”

WMP Nos. 28811, 28812, 288
28816 & 28818 of 2023

WEB COPY 2. In view of the same, we do not see any reason to entertain these review applications, the Delay Petitions are therefore dismissed. Accordingly, the Review Applications are rejected at SR stage itself.
