2. The petitioners were originally appointed as Overhead Tank Operators in the erstwhile Panchayat or Municipalities. On expansion of corporation limit as well as constitution of new corporation, the petitioners service were transferred and merged with their respective corporation. They have been working continuously under the administration and control of the respondents, without any break. They are receiving salary as per the minimum wages fixed by the District Collectors from time to time on daily wage basis. They are working on full time basis for the past 18 and 21 years. Therefore, they submitted representation for regularisation of his service.

3. However, it was not considered as such, some of the similarly placed persons approached this Court and the Hon'ble Division Bench of this Court by an order dated 01.09.2015 in W.P.No.17858 of 2014 held that the petitioners are entitled to consideration for grant of time scale on regular basis, on the basis of performance assignment to be done on completion of three years and they are entitled for regularization on completion of three years with all consequential monetary benefits. The Hon'ble Supreme Court of India also confirmed the said order, by an order dated 13.02.2017 in S.L.P.(C).No.3170 of 2017.

4. In compliance of the said order, the first respondent herein passed order in G.O.(2D).No.64 Municipal Administration and Water Supplies (MC 3) department dated 08.08.2019, thereby regularized their service. By another order in G.O. (2D).No.68 Municipal Administration and Water Supplies (MC3) Department dated 27.08.2019, thereby ordered to regularize their service on completion of three years from the date of their original appointment.

5. That apart, in various writ petitions, this Court directed the respondents to regularise the service of the similarly placed persons within a stipulated time. By an order dated 23.11.2023, the Hon'ble Division Bench of this Court in W.A.No.1615 of 2018, directed the respondents to bring the petitioners therein, into regular time scale of pay, within a period of twelve weeks. The petitioners are also being the similarly placed persons, they are also entitled for the same benefits of the said Government Orders. Hence, the present writ petition.

7. Further, it is brought to the notice of this Court that after dismissal of the SLP before the Hon'ble Supreme Court of India, the respondents filed Review petition and it is pending. However, no interim order has been granted by the Division Bench of this Court. In fact, some of the similarly placed persons, who had joined in their respective panchayat/municipality were absorbed in the Metro Water Supply and Sewerage Board. Those who were absorbed in the Metro Water Supply and Sewerage Board, all workers were regularised. Insofar as the persons who were absorbed by the respective corporation were regularised and those who had approached this Court have been regularised in compliance of the order passed by this Court. Therefore, this Court finds that the petitioners are also entitled for the same benefits of regularisation of their respective services on completion of three years from the date of their original appointment.

8. In view of the above discussions, the respondents are directed to consider the case of the petitioners in the light of the Government Orders in G.O.(2D).No. 64 Municipal Administration and Water Supplies (MC 3) department dated 08.08.2019 and G.O.(2D).No.68 Municipal Administration and Water Supplies (MC3) Department dated 27.08.2019, within a period of twelve weeks from the date of receipt of a copy of this Order.
