disbursement within a time limit.

2. It is an admitted fact that the petitioner, who had joined the services of the respondent-Corporation, had retired from service on 31.12.2017. Though the petitioner had retired on 31.12.2017, the retirement benefits had been deposited into his account only on 31.01.2021 after a gap of nearly 36 months from the date of his retirement. Therefore, the petitioner had claimed interest @ 6% towards the belated payment of terminal benefits. However, the respondents have not taken any steps whatsoever to consider the petitioner's representation dated 31.07.2025. The fact that the payments have been made with a delay has not been controverted by the respondents.

3. Heard the learned counsels on the either side and perused the materials available on record.

Accordingly, this Writ Petition is allowed. No costs.
