2. The case of the prosecution is that the petitioner herein had developed an illegal intimacy with the minor girl. The complaint of the victim child indicates that she had been in an affair with the petitioner since 2023. As a result, she conceived and was admitted in the hospital for delivery. She gave birth to a male child on 11.06.2025 and as per the instructions of this petitioner, abandoned the child and left the hospital. Hence the present complaint.
