ORDER

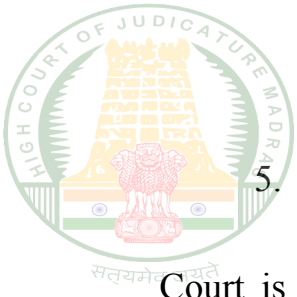

This writ miscellaneous petition has been filed by the petitioner/third respondent seeking clarification of the order dated 09.08.2023 passed in W.P. No.17932 of 2022.

WEB COPY 2. The learned counsel for the petitioner would submit that this Court, by its order dated 09.08.2023, while dismissing the writ petition filed by the first respondent, directed the first respondent/writ petitioner to reinstate the petitioner/third respondent. At the same time, this Court also made clear that it would be open to the second respondent/first respondent to pass appropriate orders transferring the petitioner from the school run by the said management.

3. The learned counsel for the petitioner further submitted that there is, in fact, no other similar school available under the management of the first respondent/writ petitioner within the State of Tamil Nadu. Therefore, seeking clarification the present miscellaneous petition has been filed.

4. Heard the learned counsel appearing for the first respondent and the learned Additional Government Pleader appearing for the respondents 2 and 3.

5. On a careful consideration of the submissions and the records, this Court is of the opinion that reinstatement of the petitioner has already been ordered. When a proposal was made for the transfer of the petitioner, the same was also dealt with and clarified in the said order. Therefore, merely because, the petitioner is not satisfied with certain observations made by this Court in the order, the same cannot be a ground for seeking further clarification. Furthermore, the order has been passed on 09.08.2023 itself. Clarification is not a matter of right and hence, this petition cannot be entertained. Hence, I do not find any merit in this petition.

6. Accordingly, this Writ Miscellaneous Petition stands dismissed.
