4. As per the details furnished by the 4th respondent, the petitioner supplied energy to the respondents for value of Rs.35,41,322/- upto March-2024. The petitioner raised invoice for encashment of the above said amount based on the applicable tariff and the same has not been honoured by the respondents. Therefore, the petitioner has come before this Court with a prayer seeking adjustment of the amount due to the petitioner from TANGEDCO/respondents 2 to 5. The petitioner submitted a representation on 26.04.2024 enclosing statement downloaded from the website of the TANGEDCO. Therefore, there is no dispute with regard to the quantum payable by TANGEDCO to the petitioner towards electricity supplied by it.
