ORDER

The writ petition has been filed in the nature of a mandamus seeking a direction against the third respondent to grant permission to fill up the sanctioned post of Office Assistant in the petitioner school.

2. In the affidavit filed in support of this writ petition, it had been stated that the petitioner school which had been started as High School in the year 1954 and had been upgraded to Higher Secondary School in the year 1979. The post of Office Assistant had fallen vacant owing to the retirement of the person holding that post on 30.06.2022. It is a sanctioned post. The school management had sought permission to fill up the said post.

3. The learned counsel for the petitioner had placed reliance on the judgment of the learned Single Judge and the consequential Writ Appeal wherein it had held that the school management has a right to fill up the post which post should be a sanctioned post. The writ petition was ***W.P.No.3939 of 2020 S.Murugan v. The Director of School Education, Chennai and others***

W.P.No.32015 of 2024

wherein by order dated 26.02.2020, the learned Single Judge had held as

WEB follows:

“7. In the present case, the petitioner was appointed on 20.08.2018 and the file is pending before the respondents from the year 2018. Ultimately, the impugned order came to be passed only on 12.12.2019. Till then, no steps were taken by the respondents to redeploy the surplus staff in the fourth respondent School. Therefore, it will not lie in the mouth of the second respondent to turn around and reject the approval for the appointment of the petitioner in the fourth respondent School. The approval can be granted and if it is found to be surplus even the petitioner can be redeployed and sent to the School wherever his services are required.

8. In view of the above discussion, the impugned order passed by the second respondent is hereby quashed and there shall be a direction to the second respondent to grant approval to the appointment of the petitioner, after satisfying himself the other requirements and disburse grant-in-aid towards the salary and allowance from the date of appointment. The consequential orders shall be passed within a period of four weeks from the date of receipt of copy of this order.

This writ petition is allowed with the above

directions. No costs. Consequently, the connected miscellaneous petition is closed.”

4. This order was taken up on appeal in W.A.No.1022 of 2020, the ***Director of School Education and others v. S.Murugan and another*** and the Division Bench by Judgment dated 07.01.2021 had dismissed the writ appeal. It is thus seen that the primary issue which has to be examined is whether the post was a sanctioned post and whether there was surplus staffs, who should be then transferred to the sanctioned post or fresh appointment should be made.

5. The learned Additional Government Pleader stated that the respondents would consider the proposal submitted by the petitioner on 09.10.2023.

6. A direction is issued to the fourth respondent at the first instance the fourth respondent/the District Educational Officer, Chennai North, Chennai to examine the proposal given 09.10.2023 which had been referred and for which a direction is given to the petitioner to resubmit.
