2. According to the petitioners, the third respondent is interfering with the petitioners in their cultivation activities. It is further submitted that they had already filed a suit for cancellation of sale deeds and also for permanent injunction in O.S.No.72 of 2022 on the file of the Sub Court, Hosur. It is their further contention that when the suit is pending, the third respondent is interfering with their possession and causing physical assault. Hence, the present petition has been filed seeking aforesaid relief.

4. The very submissions of the learned counsel appearing for the petitioners and a perusal of the materials available on record indicate that there is a dispute with regard to the title over the immovable property, which has not been decided. In such view of the matter let the petitioners agitate their grievance in the pending suit. If there is any violation of the Orders of the Court, the first and second respondents shall take necessary action as per law.

5. With the above direction, this Writ Petition is disposed of.
