2. It is the case of the petitioner that he is a resident in the area of 1st Main Road, Madipakkam, Chennai and has been living of this neighborhood. But there has been a disturbance to the peaceful living of this neighborhood. A large builder has been positioned in the middle of the road at the aforesaid address. This obstruction is severely impeding the free flow of traffic creating unsafe conditions for motorists, pedestrians and local residents. The obstruction of the road due to the boulder has led to severe traffic congestion. The road already narrow is now nearly impassable forcing vehicles to navigate dangerously close to each other. The presence of the boulder has deprived children of a safe space to play. Hence, the petitioner has given a representation to the respondents dated 26.10.2024 for removal of a boulder obstructing the
