The challenge in this intra-Court appeal is to the order dated 22.08.2025 passed by the learned Single Judge in W.P. No. 25019 of 2025. By the said order, the learned Single Judge rejected the prayer of the appellant/writ petitioner to set aside the order dated 01.07.2025 passed by the first respondent, transferring the appellant from the post of Assistant Horticulture Officer, Hosur Block, Krishnagiri District, to the State Horticulture Farm, Anaikatti Block, Coimbatore District.

2. Aggrieved by the order of transfer, the appellant approached this Court in the aforesaid writ petition. The learned Single Judge, taking note of the fact

that the appellant had been working at the present station, i.e., Hosur Circle, Krishnagiri District, from 01.08.2022 till the date of the impugned order, dismissed the writ petition.

3. After hearing the learned counsel for the appellant and the learned Special Government Pleader for the official respondents and upon perusing the impugned order as well as the order of transfer, we find that in the transfer order dated 01.07.2025 it has been specifically stated that out of eight transferees, no transfer allowance would be granted to five, since their transfers were issued on their own request.

4. One such transferee is Mr. K. Rupesh Yadav, who was originally working at the Horticulture Farm, Anaikatti Circle, Coimbatore District. He was transferred and posted to the station where the appellant was working, and the appellant was transferred to Anaikatti Circle. It is therefore evident that the appellant's transfer was effected only to accommodate the said K. Rupesh Yadav.

5. In view of the above, it cannot be stated that the transfer was a regular or routine administrative transfer based on any exigency or administrative necessity. Though the transfer order was challenged unsuccessfully, the factual

position remains that, pursuant to the order dated 01.07.2025, a relieving order has also been issued and, admittedly, the appellant has been relieved. At this stage, therefore, we do not find it appropriate to interfere with either the transfer order or the consequential relieving order.

6. However, since the original transfer order dated 01.07.2025, insofar as it relates to the appellant, was not made on any administrative exigency, if the appellant makes a fresh representation in future, the respondents/employer shall consider the same objectively and explore the possibility of accommodating him either in Krishnagiri District or any nearby District, depending upon vacancy availability.

7. With the above observations, this Writ Appeal stands disposed of. Consequently, the connected miscellaneous petition is closed. There shall be no order as to costs.
