in both the writ petitions

COMMON ORDER

Since the issues involved in the both the cases are one and the same, the same are disposed by way of this common order.

2. These two writ petitions have been filed challenging the eviction notice issued by the 4th respondent.

3. The petitioner in W.P.no.36639/2025 claims himself to be as Poosari of the temple of the 4th respondent temple. According to the petitioner, in recommendation his service, the temple authorities leased out certain portion of the temple lands to him. According to him, he has been cultivating the said property and therefore, the eviction notice issued by the authorities is bad in

law. The petitioner therefore, seeks to quash the same.

4. The petitioner in W.P.no.33920 of 2025 also claims that the temple authorities have leased out a portion of the temple lands for cultivation and she has been cultivating the same. The petitioner also prays that the eviction notice issued by the 4th respondent may be quashed.

5. Both the writ petitions are blissfully vague.

6. Though both the writ petitioners claim that the temple authorities have leased out the temple lands. Such a lease agreement has not been produced. The certificate given by the VAO, merely states that the petitioners are doing cultivation in the said temple lands. That would not prove that the petitioners are in legal occupation of the said lands. The petitioners have to prove their legal right over the temple lands by producing lease agreement said to have been executed between them and the temple authorities.

7. In the result, the writ petitions are dismissed. No costs. However, the petitioners are at liberty to work out their remedy before the appropriate forum as per law. Consequently, connected miscellaneous petitions are closed.
