3. Adverting to representation dated 13.02.2024, Ms.P.Veena Suresh, learned counsel for writ petitioner submitted that there is alleged encroachment in 'Survey Nos.136/1A and 137, Karkoodalpatti Bit 1 Village, Rasipuram Taluk, Namakkal District' [hereinafter 'said land' for the sake of convenience and clarity] by R5 to R10 before us. To be noted, R5 to R10 are private respondents.

4. Considering the obtaining position, we are of the view that the captioned WP can be disposed of by ordering notice to respondents (R1 to R4) and putting in a safety valve / adequate protection qua alleged encroachers i.e., R5 to R10.

5. Issue notice to official respondents i.e., R1 to R4.

6. Mr.M.S.Arasakumar, learned Government Advocate accepts notice for R1 to R4.

8. It was submitted by learned Government Advocate that G.O.(Ms)No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022 has been put in place, wherein and whereby Divisional Monitoring Committee, District Monitoring Committee and State Steering Committee have been constituted *inter alia* for a single point reporting / monitoring system qua Government lands.

9. In the light of the narrative thus far, we deem it appropriate to refer the matter to the Divisional Monitoring Committee headed by the Revenue Divisional Officer, Mohanur Road, Namakkal - 637 001, qua G.O.(Ms)No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022.

10. This Court directs the jurisdictional Divisional Monitoring Committee to examine if there is encroachment qua said land. The Divisional Monitoring Committee shall also ensure that adequate and ample opportunity is given to persons concerned more particularly

alleged encroachers (R5 to R10) before taking a call. In this regard, we are acutely conscious that the matter is being disposed of in Admission Board without notice to alleged encroachers and therefore, this safety valve is put in place. To be noted, all the rights and contentions of alleged encroachers are preserved for being raised before the Committee concerned which shall consider the same on its own merits and in accordance with law untrammelled by this proceedings in this Court.

11. The Divisional Monitoring Committee qua G.O.(Ms)No.64, Revenue and Disaster Management Department, Land Disposal Wing, dated 08.02.2022, shall (if it comes to the conclusion that there is encroachment) report the encroachment for further action (for removal of encroachment which again shall be after giving adequate and ample opportunity to alleged encroachers). The entire exercise shall be completed within a period of twelve weeks from today i.e., by 21.04.2025.

12. It is open to the WP petitioner and/ or anyone concerned with this matter to come to this Court on the same issue even with a

13. We make it clear that we have not expressed any view or opinion as to whether there is encroachment or not qua said land as it turns on facts and it is for the Divisional Monitoring Committee to take a call on this aspect of the matter. We also make it clear that this exercise will not apply to patta land and it will apply only to public land, if there is any encroachment in public land.

14. Captioned WP is disposed of with the aforementioned observations and directives in the aforesaid manner. There shall be no order as to costs.
