2. It is submitted that he has made a complaint to the authority alleging that constructions are being raised by private respondents to develop a commercial building, whereas it is predominantly a residential area. It is submitted that though notice has been issued on 06.08.2025, till date, illegal construction has not been removed.

3. If petitioner has any grievance as far as his own land is concerned, he is at liberty to take appropriate action by filing a suit.

4. As far as allegation of inaction towards removal of alleged illegal construction is concerned, we find that the local body has already issued a notice and proceedings have been initiated. Therefore, it cannot be said to be a case of inaction. Therefore, at this stage, it is not necessary for us to keep this petition pending. Keeping it open to the local authority to take their proceedings, drawn after notice to its logical conclusion, petition is dismissed.
