As a result, the pillion rider succumbed to injuries. After the registration of FIR, the investigation is nearing completion and the third respondent is awaiting the final opinion of the Doctor to ascertain the cause of death. That apart, it is noted that the petitioner was under the influence of alcohol at the time of the incident.

3. Considering the fact that the investigation is almost completed, this Court finds that transferring the investigation at this stage would adversely affect the work already done by the third respondent. Accordingly, the Criminal Original petition stands disposed of with a direction to the third respondent to complete the investigation and file the final report within a period of twelve weeks from the date of receipt of a copy of this order. Consequently, connected miscellaneous petition is closed.
