ORDER

This Writ Petition has been filed for direction directing the first respondent herein to scrupulously adhere to Regulation 4.2 of University Grants Commission (Conferment of Autonomous Status upon colleges and measures for maintenance of standards in autonomous colleges) regulations 2023 and forthwith notify the autonomous status granted to the petitioner College in order of the University Grants Commission in No.F.2-10 / 2023 (AC policy) dated 09.09.2024.

2. The petitioner had submitted application on 28.06.2023 in the prescribed format to Anna University for conferment of autonomous status as per University Grants Commission (Conferment of Autonomous Status upon Colleges and measures for Maintenance of Standards in Autonomous Colleges) Regulation 2023. The petitioner also submitted the filled-in proforma with required documents to the University Grants Commission. The University Grants Commission in its meeting approved the recommendation of Standing Committee on Autonomous Colleges to confer the autonomous status to the

petitioners' colleges' for a period of 10 years from the academic year 2024-2025

to 2033-2034 as per Clause 7.5 of the UGC Regulation, 2023. The same had been communicated by the University Grants Commission in its letter No.F.2-10 / 2023 (AC policy) dated 09.09.2024 addressed to the Registrar, Anna University, Chennai. It was communicated that the conferment of autonomous status to the petitioner, the University Grants Commission had categorically requested the University to issue necessary notification within 30 days regarding the grant of autonomous status to the petitioner College as per UGC Regulations, 2023. The first respondent did not comply with the request conveyed in the Conferment Order issued by the University Grants Commission and so the petitioner submitted representation to the Registrar, Anna University, Chennai. The respondents neither issued the notification as mandated by Clause 4.2 of UGC Regulations 2023, nor sent reply to the petitioner's representation. The respondent University was bound to issue the notification within 30 days as mandated by Regulation 4.2 of UGC Regulation, 2023, however, it failed to do so. Hence, the petitioner was constrained to file this writ petition for the aforesaid reliefs.

3. The learned Standing Counsel for the first respondent University

submitted that even without considering the first respondent's objections, the order conferring Permanent Status to the petitioner's was issued and therefore the first respondent was not bound to issue the notification.

4. Mr.B.Rabu Manohar, learned Senior Panel Counsel appearing for UGC submitted that without considering the first respondent's objection, autonomous status would not have been conferred. The learned Counsel further submitted that in case the objections were filed beyond the time stipulated under Regulations 4.1, then the deeming provision would operate and therefore, the UGC would be well within it's right to confer the autonomous status to the petitioners' college.

5. The role of the parent University is stipulated in Regulation 4 of the UGC Regulations, 2023. The relevant portion of the Regulation 4.1 and 4.2 read as follows:

“4.1 To examine the application of the College for autonomous status on the UGC portal and give its recommendations, along with reasons/justification, within 30 working days on the UGC portal. If the parent University does not respond on the UGC Portal within 30 working days, it shall be presumed that the parent University has no objection to the processing of the application by the UGC for conferment of autonomous status.

W.P.No.38322 of 2025

4.2 Issue notification within 30 days for a College to function as an autonomous entity once the autonomous status is conferred on the College by UGC.”

6. The learned Senior Panel Counsel appearing for the UGC submitted that without considering the objections, the first respondent would not have passed orders conferring autonomous status to the petitioners. The learned counsel further submitted that in case objections were filed beyond 30 days, it could be presumed that the University had no objection under Regulation 4.1.

7. The submission of the learned Senior Panel Counsel appearing for the UGC is recorded and in the light of the said submission and Regulation 4.2 of the UGC Regulation extracted above, the first respondent is bound to issue the notification within 30 days as per Clause 4.2 aforementioned. In this regard, the Judgment of the Hon'ble First Division Bench of this Court in the case of ***Anna University Vs. Mahendra Institute of Technology and Another in W.A.No.51 of 2020*** can be usefully referred. The Court held as follows:

“14.In the said background, we are of the opinion that the 2018 Regulations framed by the University Grants Commission in exercise of the powers conferred under Section 12(f), (g), (j) r/w 26(1) of the University Grants Commission Act, 1956 govern the field, inasmuch as the same is clearly saved as being a Regulation duly authorized having its source in Entry 66 of List I of the Constitution of India. There is no

law for the time being relating to the Regulation of grant of autonomous Colleges running contrary to the same either framed under Entry 66 of List I or entry 25 of List III. In the absence of any such legislation to the contrary, we are of the clear opinion that the 2018 Regulations clearly hold the field exclusively in the matters of grant of autonomous status to affiliated Colleges. The resolution of the Syndicate dated 27.05.2014 cannot in any way be said to have an overriding effect or even supplementary effect to the 2018 Regulations, inasmuch as the method of grant of an autonomous status is clearly defined under the 2018 Regulations and the eligibility to obtain such status is also governed by the same.”

8. The aforesaid Judgment of the Hon'ble First Division Bench of this Court was confirmed by the Supreme Court in S.L.P.(Civil) Nos.8324-8325 of 2020. From a reading of the aforementioned Regulation and the Judgment of the Hon'ble First Division Bench of this Court, it is clear that the first respondent University is bound to issue the notification as mandated by Regulation 4.2 of the UGC Regulations, 2023.

9. In view of the above discussion and under the facts and circumstances of the case, this Court is of the view that the Writ Petition is deserved to be allowed. Hence, this Writ Petition is allowed with a direction to the first respondent University to notify the autonomous status granted to the petitioner College as per Regulation 4.2 of the UGC Regulations 2023, within a period of

four weeks, from the date of receipt of a copy of this order. No costs.
