Code. The defacto complainant already filed MCOP claim petition and received the compensation. Considering the factual matrix, context of the case, the antecedents of the accused, the reason for absence from his usual place, and the submission that, despite best efforts, the summons / warrant could not be served / executed, it is evident that even if the accused is brought to face trial, it would impinge upon his right to a speedy trial. Due to the passage of time, a meaningful trial is unlikely, and no useful purpose would be served.

3. Accordingly, the proceedings in **C.C.No.21 of 2022 on the file of Judicial Magistrate Court, Thittakudi Taluk, Cuddalore** is quashed and this Suo Motu Transfer Case is disposed of.
