ORDER

This writ petition is filed under Article 226 of Constitution of India, to issue a Writ of Mandamus, directing the respondents to dispose off the representation of the petitioner under Order 26(A) of Revenue Standing Order dated 23.07.2024 and 31.05.2024.

2. It is the case of the petitioner that it is a partnership firm which entered into a 10-year lease agreement with Mrs.Kavitha for the land in Survey No.67/1(1.30.00 hectares) and Survey No.67/2 (part) (0.75.00 hectares), totalling 2.05 hectares, for Mining Rough Stone and Gravel quarry. The petitioner thereafter applied for a Mining Plan on 11.01.2024 and pursuant

thereto, Precise Area Communication and Mining Plan were approved by the Mining Department and Assistant Director, Geology and Mining, respectively.

Thereafter, the Environmental Clearance was granted on 24.05.2024 by the Ministry of Environment, Forest and Climate Change and a lease deed was executed with the Government of Tamilnadu after obtaining clearance and the quarry operation work was commenced in June, 2024.

3.The further case of the petitioner is that the petitioner firm requires a connecting road from the lease patta land in S.No.67/1 and 67/2(part) to the villagers's usage road. This connecting road is poramboke land in S.F.No.68, measuring about 65 meters in length and 12 meters breadth (totalling 780 sq.meters). The pathway measuring 780 sq.meters is locked between the patta lands. It is the only access to the lands under enjoyment as per the Government's permission. However, the respondents are objecting to the usage of the passage because it is a poramboke land. Therefore, the petitioner made a representation to the District Collector /first respondent on 31.05.2024 for the usage of the 780 sq.meters. The Collector forwarded the representation to the Revenue

Divisional Officer/second respondent. A reminder representation was also made to the 2nd respondent on 23.07.2024 stating that the petitioner is willing to pay double the value of the land or purchase fresh land equivalent to the measurement under Revenue Standing Order 26(A) for land exchange. However, the second respondent is yet to pass order on the representation of the petitioner dated 31.05.2024 and also 23.07.2024, even after having inspected the area. Therefore, this Writ Petition has been filed.

4. The learned counsel for the petitioner submitted that this Court may direct the respondents to consider and pass orders on the petitioners representation dated 31.05.2024 and also 23.07.2024 within the stipulated time as fixed by this Court.

5. The learned Additional Government Pleader appearing for the respondents submitted that the representation of the petitioner will be considered and orders will be passed within the stipulated time as fixed by this Court.

7. 8. With the above directions, the writ petition is disposed of. Consequently, connected miscellaneous petition is closed. No costs.
