2. According to the applicants, they filed the main petition for appointment of guardian, and now the case is posted for recording evidence of the petitioners' side. At that time, they want to file the certified copy of the Sale Deed dated 08.12.1978. The original document is not available, and therefore, they filed this certified copy as secondary evidence to the said document. Hence, they filed this application.

3. Considering the reasons stated in the affidavit that the original document is not available and the certified copy of the document is also a public document, this application is allowed.
