We find that the petition, in essence, is based on allegation that the order of this court is not being complied with and there is willful disobedience.

If that be so, this can be dealt with in contempt jurisdiction and repeated orders are not required to be passed in successive petitions issuing same direction time and again.

Writ petition is dismissed with liberty to file contempt petition. There shall be no order as to costs. WMP No No.46621 of 2025 filed to permit the petitioners to join together and file a single writ petition is allowed subject to payment of separate court fee within two weeks, failing which this order shall be made applicable only to the first petitioner. Other interim application stands closed.
