4. Per contra, the learned Government Advocate (CrI.Side) would submit that based on the complaint given by the second respondent/ de facto complainant stating that the car driven by the petitioner dashed against the two wheeler driven by him and caused injuries to him and the pillion rider, one Jayasuriya, a complaint was registered. The petitioner himself has now given a complaint but no FIR has been registered. He would further submit that both the complaints are being investigated to find out who is at fault, but the petitioner is not co-operating in the investigation.

5. Considering the above submissions, this Court is of the opinion that only if the investigation is conducted, the person who is responsible for the accident will come to light. In such circumstances, the F.I.R. cannot be quashed. The respondent Police is directed to proceed with the investigation.

6. With the above observation, this Criminal Original Petition is closed. Consequently, connected miscellaneous petition is also closed.
