realization, in respect of the Petitioner's acquired land, in accordance with the judgment of the Hon'ble Supreme Court in Union of India V. Tarsem Singh, by duly considering the Petitioner's representation dated 05.05.2025, within the stipulated time as fixed by this Court.

2. The learned counsel for the petitioner would submit that the petitioner's lands were acquired by the 2nd respondent for the purpose of widening four-lane road in National High Way No.7, under the provisions of the National Highways Act, 1956. Thereafter, the 2nd respondent passed an Award dated 04.02.2008 determining the compensation for the acquired land. Since the amount of compensation was less than the prevailed market rate, the petitioner had filed a petition before the 1st respondent seeking enhancement of the amount of compensation and the said Authority, by Award dated 01.08.2017, enhanced the amount of compensation. However, failed to award 30% Solatium and 12% Additional Market Value on the enhanced compensation at that time.

Therefore, the petitioner is entitled for solatium, additional market value and interest. In this regard, she made a representation to the respondents on 05.05.2025. As the same did not evoke any response, the petitioner has filed this writ petition seeking for the aforesaid relief.
