2. On perusal of records, it is revealed that the impugned orders have been passed in the year 2017. Now, the same are challenged after a period of 8 years, there is absolutely no explanation on the part of the petitioner. That apart, subsequent to the order impugned in this writ petition, the petitioner submitted a representation but it was not considered. Therefore, the petitioner and others approached this Court in W.P.No.28406 of 2023 and this Court directed to consider the representation and pass appropriate orders in accordance with law.

3. However, it was not complied with and as such, the petitioner and others filed a Contempt Petition in Cont.P.No.5674 of 2024 but the same was dismissed on 25.10.2024 for the reason that the communication dated 31.08.2024 would amount to consideration of the petitioner's representation. As such, there was no disobedience on the part of the respondents. However, once again, the petitioner is challenging the very same impugned order and also challenging subsequent order. Therefore, the order impugned in this Writ Petition was confirmed by the respondents by communication dated 31.08.2025.
