2. When the application came up for hearing on 03.11.2025, this Court, on carefully going through the averments made in the affidavit filed in support of the application, thought it fit to order notice to the respondents to ascertain as to whether the respondents will be willing to settle the dispute.

3. When the matter was taken up for hearing today, affidavit of service has been filed and it is seen that the private notice sent to the respondents has been duly served. Though the respondents have been served, there is no appearance either in person or through counsel. The whereabouts of the construction equipment is also not known. Hence the apprehension of the applicant that the respondents are attempting to secret the construction equipment is *prima facie* established.

respondents or wherever it is found and by breaking open the premises, if required, with police aid.
