property by virtue of a settlement deed dated 31.07.2025. The petitioner submitted an application before the respondents seeking issuance of joint patta in the name of the petitioner and one Krishnamoorthy. The application was rejected through the impugned online rejection order. Aggrieved by the same, the present writ petition has been filed.

4. Taking into consideration the facts and circumstances of the case, it is seen that the impugned online rejection order does not assign any reason as to why the application was rejected. This clearly amounts to violation of principles of natural justice.

5. In view of the above, the impugned online rejection order dated 30.08.2025 passed by the second respondent is hereby set aside and the matter is remanded to the file of the first respondent and the first respondent is directed to conduct enquiry, collect relevant documents from the petitioner and other interested parties and pass a reasoned order
