3.The grievance of the petitioner is that there is already a suit pending before the competent Civil Court between the petitioner and the private respondent and whereas, the respondents are attempting to conduct the survey in the subject property and thereby, interfere with the possession and enjoyment of the petitioner. Hence, the petitioner submitted objections before the 2nd and 3rd respondents from conducting any survey. Since the same was not considered, the present writ petition has been filed before this Court.

4.Taking into consideration the facts and circumstances of the case and the grievance expressed by the petitioner, there shall be a direction to the 2nd and 3rd respondents to consider the objections made by the petitioner as and when any application is filed by the 4th respondent seeking for survey of the property and take a decision in accordance with law.
