ORDER

This Writ Petition has been filed seeking issuance of writ of mandamus, directing the 3rd respondent to consider petitioner's representation dated 06.12.2024 within time framed manner.

2. The learned counsel for the petitioner would submit that the petitioner's mother is the owner of the property to an extent of 5592 Sq.ft. in T.S.Nos.503/1 and 500 thereafter, the petitioner's mother settled the property in favour of the petitioner vide settlement deed dated 12.03.2008 and electricity connection also changed in his name. A portion of land, measuring an extent of 150 Sq.ft. occupied by one Dhanalakshmi / 4th respondent herein, who is wife of the petitioner's brother namely, Kanagavel and she resided with her father. Earlier, the petitioner's mother filed a suit in O.S.No.344 of 1999 for declaration

and permanent injunction against them and the Trial Court decreed the said suit in favour of the petitioner's mother however, rejected the permanent injunction as against the 4th respondent / sister-in-law. While being so, the said property become unusable and the said Dhanalakshmi / 4th respondent vacated the said property and moved somewhere else thereafter, the said Dhanalakshmi made an application for electricity connection and same was effected in her favour. Aggrieved by the same, the petitioner filed a civil suit in O.S.No.15 of 2017 on the file of the District Munsif Court, Dharapuram and the said suit was dismissed as against the Electricity Board and thereafter, the petitioner made an application for considering his request for disconnecting the electricity and the same was not considered thereby, the present writ petition is filed.

3. The learned counsel appearing for the petitioner submitted that this Court may issue a direction to the respondents 1 to 3 to consider the petitioner's representation and pass appropriate orders.

4. However, already the petitioner filed a suit as against the electricity

Officials and the 4th respondent in O.S.No.15 of 2017 for the very same prayer which was made in the representation and the same was rejected by the Trial Court and, without challenging the judgment and decree made in O.S.No.15 of 2017, making representation before the electricity Officials is not sustainable one.

5. Hence, the prayer sought for in this writ petition cannot be granted accordingly, this Writ Petition is dismissed however, liberty is granted to the petitioner to workout his remedy in the manner known to law. No costs.
