ORDER

This writ petition has been filed, seeking permission for the petitioner to re-export the goods, which is the subject matter of the bill of entry dated 12.01.2025, disclosed in the prayer to this writ petition.

2. It is an undisputed fact as seen from the submissions made by both the counsels that the goods, which are the subject matter of the bill of entry dated 12.01.2025, disclosed in the prayer to this writ petition were ordered to be provisionally released in favour of the petitioner earlier by imposing certain conditions. Since, according to the petitioner, the conditions are onerous in nature, which could not be fulfilled, the petitioner seeks for re-export of the goods back to the place of its origin. For the said purpose, they had given several representations. Since the same have not been considered till date by the respondents, the petitioner has filed this writ petition.

3. The learned counsel for the petitioner also drew the attention of this Court to an order dated 28.11.2025 passed by this Court in W.P.No.46239 of 2025 in the case of *M/s. Yegovah Enterprises Vs The Principal Commissioner of Customs (Chennai – III) (Preventive)* involving the similar matter, wherein

also the petitioner therein had sought for re-export of the goods on the ground that due to onerous condition imposed for provisional release, they were unable to obtain provisional release as per the provisions of Section 110 A of the Customs Act, 1962.

4. In the said writ petitions, the following directs were issued:

“(i) The petitioner shall execute a bond for the total value of the differential duty payable by them;

(ii) The petitioner shall furnish a bank guarantee equivalent to 20% of the re-determined value; and

(iii) On the petitioner fulfilling the above two conditions, they shall be permitted to re-export the goods within a period of twelve (12) days from the date of compliance of the above conditions as imposed by this Court”

5. The learned counsel for the petitioner, on instructions, would submit that the petitioner is willing to abide by the very same condition imposed by this Court on 28.11.2025 in W.P. No.46239 of 2025.

6. Till date, counter has not been filed by the respondents in this writ petition. The learned standing counsel appearing for the respondents reiterates the very same objections that were raised by the respondents in W.P. No.46239 of 2025. Only after considering the said objections, the learned Single Judge had disposed of W.P. No.46239 of 2025 on 28.11.2025 by imposing the aforesaid objections. In view of the same, this Court rejects the objections made by the learned standing counsel appearing for the respondents before this Court in this matter as well.

7. This Court is in agreement with the view taken by another learned Single Judge of this Court involving similar matter on 28.11.2025 in W.P. No.46239 of 2025. Accordingly, this writ petition is disposed of by granting permission to the petitioner to re-export the goods, which is the subject matter of the bill of entry dated 12.01.2025 disclosed in the prayer to this writ petition on fulfilment of the following conditions:

“(i) The petitioner shall execute a bond for the total value of the differential duty payable by them;

(ii) The petitioner shall furnish a bank guarantee equivalent to 20% of the re-determined value; and

(iii) On the petitioner fulfilling the above
